PARENTS/GUARDIANS: This form must be completed before we can assign your participant a room!

Key/Dorm Damage Agreement

A signed Key/Dorm Damage Agreement is required by the school before you can attend the camp/academy. The cost of a lost key or access card is $100.   If there is damage done to the room the charge will reflect the cost of the damage charged from the host College or University, and will likely exceed $100.   We suggest participants put their dorm key on a very bright colored shoestring or lanyard. If needed, lanyards will be available in the camp store.

The following deposit will not be used unless your participant's dorm key is lost or damaged, the key or access card is not turned in on the last day of the program, there is damage to the dorm room they will be staying in or damage to any other item issued by the school.

This form may be completed on your online account but if the physical form is needed, please complete and bring to camp.

 *Both participants in a room will be held equally responsible for room damage unless it is reported to the dorm director when it happens. Staff (counselors included) cannot be held responsible for a participant's key or swipe card at any time during the program. Sports International normally receives lost key/ dorm damage reports six to eight weeks after the program ends, but please keep in mind some schools do not send this report out until later.
